Subject: FOIA Review and Report

Hi Curtis –

You had said that you'd like to begin reviewing Superfund FOIAs before release. FOIAonline has a function that I believe could seamlessly integrate your review into the process. It couldn't be any clunkier than SharePoint, that's for sure. If you would like, I can set up the account and provide training in the system. We can also work up what criteria you'd like to use to determine whether a FOIA merits your review. Not all FOIAs assigned to Superfund are large or for visible sites, and there are FOIAs for WWPDP or AWMD which you might want to see before they go out the door. There will probably be a breaking in period where we find the balance between making sure you see everything you need to but aren't inundated in with the routine cases.

Also:

We received 13 FOIAs last week:

- [REDACTED] a listing of voluntary cleanup priority sites located on Indian Land located in Region 7
- [REDACTED] files pertaining to CERCLIS/SUPERFUND, Brownfields, AST, UST, environmental inspections, environmental reports, environmental spills or incidents, hazardous waste generation, wastewater discharges, air emissions, chemical use and storage, and

environmental permits at the following facility: 3901 Union Boulevard, Suite 140 St. Louis, MO

- [redacted] all documents relating for a surface or sub surface smoldering event or fire in radiological area 2 of the West Lake Landfill in Bridgeton MO.
- [redacted] A polygon boundary coverage of all National Priority List (final, deleted and proposed) sites in Region 7
- [redacted] the site located at: 10360 Lake Bluff Drive, St. Louis, MO 63123.
- [redacted] Rotometrcis (may also be known as Roto-Die Company Inc.) 800 Howerton Lane Eureka, MO 63025
- [redacted] documents related to the FirstCo., Inc. site (Formerly Titan Tire or Titan Wheel Corporation of Iowa) property address of 455 South Blue Grass Road, Walcott, Iowa 52733
- [redacted] EPA ID#: 110017445120 Site Name: Johns Refinery, formerly known as Super Refined Oil Co. Address: 915 E. 21st Street City: Wichita County: Sedgwick State: Kansas Region: 7 CERCLIS: KSD980852628
- [redacted] files pertaining to an area of North Kansas City, Missouri. This area is bordered on the west by the Missouri river. It is bordered on the east by Interstate 29/Highway 71. It is bordered on the north by 18th Street and on the south by the corporate boundary of North Kansas City, Missouri. These areas are all within the boundaries of North Kansas City, Missouri. I understand that there are some sites that are being cleaned up under EPA's oversight and are listed in the Toxic Release Inventory and the Resource Conservation and Recovery Information System Inventory.
- [redacted] Facility ID No. MOD029800695, Katco Industries Inc. 18100 E. Truman Road Independence, MO 64086 CERCLIS -NFRAP information: Initial Assessment Documentation

And three ZIP searches.

Thanks,

Emily Albano
